BUSINESS TRANSACTIONS BY CHAMBER OF COMMERCE

The Kauai Chamber of Commerce met in regular session in the court house at Waimea Thursday afternoon, President Avery in the chair.

Minutes of the previous regular meeting were read and approved. Chas. H. Wilcox, for the special committee appointed to interview the Inter-Island S. N. Company on the subject of better steamship facilities for the Waimea side of the

island made a verbal report in which he stated that two meetings had been held at Honolulu on the subject, but that prospects for better service in the near future were not good, the principal reasons being the very large expense of running the steamer Kilauea and the probable lack of sufficient business to make her pay.

Chairman Brandt, of the special

SPORTS PROGRAM PLANNED FOR THE GLORIOUS FOURTH

Captain Morrow, regimental athletic officer of the Fourth Infantry, last week prepared the following for the preliminaries and the big events on July Fourth:

Lihue, June 13, 1916.

The following program of events for the military tournament to take place at Lihue, Kauai, on July 4th, 1916, is submitted for consideration and suggestions:

Official Program will be furnished on Tuesday, June 27, 1916. It is proposed to hold two preliminary events, one on June 18th at Kealia and on the 25th of June at Lihue Park for the purpose of eliminating the poor class of athletes and getting things in condition generally.

Each captain is requested to fill in names of competing men on a specially prepared list of events with instructions attached.

It is suggested that a short parade and review be held previous to the beginning of the company drills.

The following is the list of events in the morning:

OLIVER CHANGES BASE

Upon his return from Honolulu about ten days ago, Manager "Dick" Oliver notified the owners of the Waimea hotel that he would be leaving shortly to take the management of Schuman Carriage Co's business in that town. The resignation of the manager has been accepted, but Mr. Oliver has consented to stay with the hotel until a suitable successor can be found.

C. W. Spitz states in regard to the matter that the name of the successor to Mr. Oliver is not yet known, but that he will be a thorough hotel man.

Charged With Murder

In connection with the case of the murder of one Lorenzo Tondo, Filipino, at Camp 2, Makaweli, occurring on the night of June 6 and reported in last week's issue of this paper, the police have arrested Manuel Oniero and Hermogines Blase and have charged them with the crime.

Their cases will be taken up by the grand jury at the July term.

The murder was a brutal one and much feeling on account of it has been aroused, particularly in the Filipino community.

Port Allen Shipping

The steamship Mexican will arrive at Port Allen tomorrow morning from Honolulu and the coast. It is understood that she will have

FAREWELL TEA FOR KOLOA TEACHERS

A most delightful farewell afternoon tea was given by Mrs. A. H. Waterhouse, of Koloa, for Miss L. E. Glen and Miss Barbara Morrison on the afternoon of Tuesday, the thirteenth. As usual in such events the term "tea" was a euphemistic misnomer for a most attractive round-up of beautiful decorations, delicious viands, and vivacious repartee. The setting was a dream in yellow; yellow Golden Shower, yellow butterflies floating down from a trellis of green, yellow leis knotted with generous bows of yellow illusion, and yellow decorated place cards. There were some thirty guests, and even Solomon in all his glory was not arrayed like unto them.

Miss Glen and Miss Morrison have been teaching in the Koloa public schools, and now depart for their homes in southern California, not to return. During their stay they have endeared themselves to all who were fortunate enough to know them.

Very little freight. After loading 42,000 bags of sugar she will sail for the other islands to complete her cargo.

The schooner Marston will finish discharging her cargo of coal during today and will sail for the Sound.

SEVEN TYPHOID CASES ARE FOUND

Children Near Nawiliwili Develop The Disease—A Cleanup Wanted

Seven new cases of typhoid fever have developed in the past few days in the Nawiliwili neighborhood.

All are children. Five are children of a Japanese named Matsuda and two are children of Joseph I, mail driver on the Hanalei route. All have been taken to the Lihue hospital where they are being treated.

The Matsuda and I houses are on the left side of the road coming from Nawiliwili toward Lihue, and are backed by the rice field. They are just outside of the more thickly populated section of the town.

Two cases appearing a few months ago not far away on the Grove Farm road enlisted much concern, and the presence now of cases by wholesale has created genuine alarm. The medical authorities feel that the source of infection must be gone after at once and vigorously, and steps to that end will be taken without delay.

Inasmuch as typhoid fever is not contagious in the ordinary sense, quarantine is not called for. The fight is against the source of infection, which, in the present case, is probably on the premises from which the cases have been removed or in the neighboring rice field.

SMALL BLAZE AT FAIRVIEW HOTEL

During the dinner hour at Hotel Lihue Wednesday evening there was an alarm of fire, and the guests rushed out to find the blaze in one of the cottages back of the main building. About that time Major Rice and the staff of the hotel appeared on the scene, armed with Pyrene extinguishers. The fire was out in a few seconds.

When first discovered the fire had burned away a mosquito net and had enveloped the bed in one of the rooms. The walls were also being charred. A few minutes more and the building would have been in flames.

The cause of the fire is unknown, but general circumstances point to a man, a cigarette and carelessness.

NEAR MURDER IN MAKAWELI CAMP

Last Wednesday night at Camp 14, Makaweli, a Filipino named Lorenzo Owen chased after another Filipino named Damiano Ocbania and practically cut off one of his hands with a huge knife which he was wielding.

The assailant was in liquor, and a quarrel of small consequence developed into the murderous attack. The hand was left hanging and had to be amputated by a surgeon.

Owen was arrested and has been charged temporarily with assault with a weapon obviously and eminently dangerous to life. The case will come before the grand jury.

In this case law-abiding Filipinos of the neighborhood were of much assistance to the police in assembling facts.

FILIPINO WOMAN SLASHED TO DEATH

At about 8:30 o'clock Tuesday morning in Camp 4, Makaweli, a Filipino woman named Emilia Blancaflor was literally cut to pieces with a knife, said to have been in the hands of a man named Braulio Gomez, with whom she was living.

Gomez had been sick and was in a bad mood. It is claimed by the police that he accused the woman of neglecting him. Just before the tragedy the woman had taken a walk and, returning, sat on the steps of the house. Gomez came out of the house with a huge knife. The woman realized her danger and ran away but was caught and slashed to death. Neighbors notified the police and arrest followed. Gomez has been charged with murder and the case will be taken up by the grand jury at its next session.

BATTALION DRILL AT KEALIA SUNDAY

The second battalion, Fourth Infantry, composed of Companies E and F, of Kealia, and G and H, of Homesteads and Elele, under command of Major W. D. McBryde, had highly interesting drill and maneuvers on the flat near the Kapaa cannery Sunday afternoon, beginning at 2 o'clock. The Fourth Infantry band (Kapaa) was in attendance. Quite a large number of people, in autos and otherwise, from the neighborhood and from all parts of the island, lined the field. Many officers of other battalions were also in attendance, in uniform, adding to the martial aspect of the scene.

Colonel Broadbent was the reviewing officer, he being accompanied by members of his staff. There was first inspection, next review and then drill of the battalion as a whole under Lieutenant Horner. The program concluded with an exhibition drill by Captain Kopke's company, of Kealia, during which the movements included in the program for competitive drill on July Fourth were gone through with.

The battalion made a very fine showing, indicating hard work on the part of the officers and diligence on the part of the men.

The companies from Homesteads and Elele were moved to and from Kealia in five big trucks.

TENNIS EVENING PLEASING AFFAIR

The tennis entertainment given last Friday evening at the Lihue Social hall was well attended by a very appreciative audience, among whom were a goodly number of people from other parts of the island.

Mrs. Lindemann opened the affair with a very entertaining overture, "Potpourri from Don Juan", followed by a farce entitled "Mr. Bob". Mrs. William Henry Rice sang "I hear a Thrush at Eve" most charmingly, and in concluding the program Mr. Danielson rendered the Aria from "L'arlesienne" in very pleasing manner.

Dancing followed, music of a high order being supplied by the Nawiliwili stringed orchestra.

TODAY'S AND LATEST NEWS BY WIRELESS

Honolulu—Word from Tokio is to the effect that Art Smith, the American aviator, is now considered to be the greatest man in the world. The Japanese at first pelted him with stones, but now load him with medals. He will return home the most idolized man that ever visited the Mikado's realm.

Ewa Plantation Company has declared an extra dividend of two per cent, which will be paid in addition to the regular monthly dividend. The total to be paid out will be \$150,000.

Money Needed By City

The proposed bond issue is inadequate to road needs. The city engineer will present to the supervisors an estimate that far exceeds \$750,000. Water and sewer works require large amounts. The belt road proposition alone would take more than one million dollars to carry out.

Wilson Will Start The Muss

Washington—President Wilson will rebuke President Carranza, of Mexico, in a curt note. The ultimatum will be of such a character as to cause war or bring about an understanding and peace.

The Carranza note to Wilson is regarded as most insulting. In it Americans are blamed for the troubles and the motives of the United States in the punitive expeditions are questioned.

Mexicans Begin Trouble

San Diego—One Mexican State begins war and Yaquis are detained. Reports to Admiral Winslow indicate that there was an encounter on the coast in which one American was wounded and two taken prisoners.

Pershing Going Ahead

Despite Mexican threats, Pershing is going ahead.

Disposition Of National Guard

The National Guard will not be sent to the front except as they may be needed by General Funston. Guardsmen of every State are now mobilized and drilling for field work.

Guaymas—Posters are being put up in all Mexican cities calling the people to arms against the United States. Authorities are reported to have ordered the arrest and imprisonment of all Americans.

Refugees are trying to reach the U. S. cruisers Glacier and Cleveland. All foreigners are fleeing from the warlike conditions.

Carranza Soldiers Active

El Paso—Six thousand Carranza soldiers are reported to be between Nuevo Laredo and Lampasa. American Consul J. H. Johnson, of Matamor, arrived at Brownsville yesterday.

President Working On Note

Washington—President Wilson is preparing his note to the de facto government of Mexico. War seems imminent and the President is moving with that eventuality in view. All demands and claims set forth in the note of Carranza will be ignored utterly.

FINE CONCERT BY KAMEHAMEHA BOYS

The concert and social held in the Lihue Social hall last Wednesday evening by the Lihue Hawaiian Sunday School turned out to be a grand re-union of all the Kamehameha students on Kauai.

The affair was held in honor of George Andrus, of the Kamehameha school faculty, who came here in the interest of the local Y. M. C. A. As a result of the school spirit awakened at this gathering the Kamehameha alumni are planning to make the occasion an annual affair.

The program was of an impromptu nature and for this reason seemed to be all the more enjoyed. Some of the old "Kam" boys saw their classmates for the first time since leaving school years ago. They all remembered the old school songs and delighted the audience with their singing.

The committee that worked up the concert was headed by A. G. Kaulukou, Mrs. Anna C. Wilcox, Hon. W. H. Rice, Mrs. W. H. Rice and Chas. F. Loomis were the other members.

Enjoyable Card Party

Captain and Mrs. G. B. Leavitt, of Elele, gave a most enjoyable progressive pedro party on Saturday evening, the tenth. When the playing was over, Mrs. Roendahl and Miss Resor held highest ladies' score, and in cutting for the prize, the former won a lovely framed picture. The consolation prize for the ladies was a silk tan and was given to Mrs. Morse.

Among the gentlemen, Mr. Roendahl moved right along and won first prize, a late book. Mr. Morse, Mr. Miller, and Mr. Pilkinton cut for consolation prize, a pretty shaving pad falling to Mr. Miller.

Those present were: Mr. and Mrs. H. H. Brodie, Mr. and Mrs. E. A. Creevey, Mr. and Mrs. Karl Roendahl, Mr. and Mrs. C. A. Alexander, Mr. and Mrs. J. I. Silva, Mr. and Mrs. E. B. Morse, Mrs. Wm. Following this celebration he will go to Hilo to attend the annual convention of the churches, meeting there June 25.

There will be no services in Lihue Union church until his return early in July.
